Rajahmundry,Andhra Pradesh

Professional Summary

Motivated Computer Science student specializing in Cyber Security with a strong foundation in networking and programming. Passionate about learning and applying security concepts to solve real-world problems. Eager to contribute technical skills, improve continuously, and gain hands-on experience in a professional environment while working on innovative technologies.

Education

Godavari Institute of Engineering and Technology 2023 – 2027
B.Tech in Computer Science and Cyber Security CGPA: 7.8

Technical Skills

- **Programming:** C, Python (Basic)
- **Networking:** TCP/IP, OSI Model, DNS, HTTP, DHCP
- **Cyber Security Tools:** Kali Linux, Nmap, Wireshark

Projects

- **Login System with Hashed Passwords**
  - Developed a secure login system using password hashing techniques
  - Implemented user authentication with encrypted password storage
  - Built using Python to enhance data security practices
- **Malicious URL Detector**
  - Designed a system to detect malicious and phishing URLs
  - Implemented detection logic using Python and pattern analysis
  - Improved security by identifying harmful web links

Achievements

- Lead Coordinator in College Fest

Certifications

- Introduction to Cyber Security – Cisco Networking Academy
- Python Certification – SkillDrive
- Cisco Packet Tracer Basics

Strengths

- Leadership
- Communication Skills
- Quick Learner
- Problem Solving
